Mission: The mission of RMHC Charleston is to create compassionate environments and programs that provide families the best chance of success in caring for their child with complex medical needs.

Vision: We believe that when a child is in time of greatest need, families and communities can come together to create solutions, ultimately changing a child's life forever.

"It has been a roller coaster ride with lots of tears, but being at RMHC Charleston feels like home. We have an extended family here at the House and that leaves us with a warm feeling inside that we have people caring for us." – Kamese Reid-Gray
